Statement on Restriction of the Use of Certain Hazardous Substances

Disclaimer

The design and selection of the materials for the parts that we supply are in all cases exclusively within the scope of the purchaser. Efficient Machine Products Corp. makes no design or material selection decisions without the knowledge and consent of the purchaser. Therefore, Efficient Machine Products Corp. can make no representations, warranties, or certifications regarding restriction of the use of certain hazardous substances (RoHS).

Compliance Opinion

Our limited research indicates the materials and finishes you have selected for the products you have purchased from Efficient Machine Products Corp. are either RoHS compliant, or are defined in the RoHS annex as exempt from requirements of 4(1) of the RoHS directive.
